Notes of meeting	Action
1) End of Year Reports Ms Marsden shared copies of the end of the year report format for 2015/16 which remains the same as last year. Parents commented how helpful they are because they are clear and concise. Information is never a shock because mid-term reports used during parents evening provide the same clarity of information. The grading system is even easy for children to understand and motivates them to want to do better. The celebration of learning events are lovely because you can see the progress the children are making in their books and the children love to share their learning with their parents.	
2) Sports Day Sports Day is on Monday 20 th June and will take the same format as last year – non-competitive events in house teams in the morning and parents invited in the afternoon for the competitive races. Hopefully it will not need to be called off due to rain! Parents will need to sit at the top of the slope due to the grounds maintenance working taking place. A parent offered to sell ice-creams out the front of the school at the end of sports day to raise funds. Ms Marsden agreed this was a great idea and will check there is enough freezer space in our kitchen *	*
3) Summer Fair Our summer fair is on Wednesday 29 th June 1:30pm. It would be great if any parents could volunteer their time to help run stalls, especially the face painting. Ideas for stalls so far are: duck bobbing, coin on a lemon, tin can alley, photobooth, cake stall (school council), lemonade and candy floss, hot dogs, golf putt challenge, balloon pop, sweets in a jar, flowerpot fundraiser, face painting, stocks. Ms Marsden will ask parents in the newsletter if anyone could provide a bouncy castle * If anyone in the community would like to run their own stall for their own fund raising, they can hire a stall for £5 and must let the office know by 22 nd June.	*

A parent suggested asking if the fire brigade could bring a fire engine *	*
4) Parent parking A parent asked for an update on parent parking. Ms Marsden explained that we can continue to use the churchrooms but Bocconoc Estate are trying to sell it and the cost is far too high for the school to buy. From Monday, hopefully parents will be able to loop around the churchrooms car park again. Imerys are sadly selling their spare land on the Drinnick site.
