

# Year 2 Autumn Term

## Do we all have superpowers?

Welcome to Prosper class! The Prosper team are looking forward to getting to know and working with our new children!

Topic Launch: We will be holding a cinema afternoon in the classroom. We will enjoy popcorn whilst watching 'The Incredibles' to get us thinking about superhero powers.

### English:

#### Writing

Story writing—Creating comics and stories about superheroes.  
Instruction writing—How to catch a villain!

#### Grammar

Simple sentences with a capital letter and full stop. Time word sentences. Question sentences. AA sentences (Noun phrases). Sorting word types (noun, verb, adjective). Past and present tense.

#### Spelling

Revision of Year 1 spellings.

#### Handwriting

Letter formation practise.  
Size of capital letters, ascenders and descenders.  
Beginning to join.

#### Guided Reading

We will be reading stories about superheroes including: Supertato by Sue Hendra and Superworm by Julia Donaldson

Music: We will be creating our own sound effects with percussion to go with our superhero storytelling. We will also be singing songs which change tempo and rhythm.

RRS Articles: Article 27—adequate standard of living—Every child has the right to a standard of living that is good enough to meet their physical and social needs.

Article 29—goals of education—Education must develop every child's personality, talents and abilities to the

### Maths:

Read and write numbers to 100 in numerals and words.

Recognise the value of each digit in two digit numbers.

Compare and order numbers from 0-100.

Count in steps of 2, 3 and 5, from 0, and in tens from any given number, forwards and backwards.

Recall and use addition and subtraction facts to 20 and use facts up to 100.

Add and subtract one and two digit numbers.

### Design Technology:

We will learn about the importance of eating '5' a day. We will try lots of different fruits before choosing our own combination to make a smoothie. We will evaluate our smoothies and also invite our parents to give us feedback too.

Art: We will learn to mix new colours with primary colours and how to create shades of the same colours. We will use our new mixing skills to create a skyline for our superhero silhouettes.

Science: We will be thinking about what humans and animals need for survival. We will also discuss the importance of diet and exercise.

Computing/e-safety: We will help to film our own superhero film. We will also use 'Word' to make our posters and invitations to our movie premiere for our peer learning class.

### Final Product:

We will be creating a superhero movie which will be shared with you via the school website, each member of Prosper class will have a role, whether in front of or behind the camera!
