Notes of meeting	Action
<p>Last meeting was about lockdowns, communication and return to school, in the form of strengths and areas for development for Nanpean School. See ideas / actions below:</p> <p>Borrowing books throughout lockdown – if lockdown happens again, we want children to read so will try to implement a system for this.</p> <p>Occasional face to face lessons – was considered, but with multiple children and parents wishing to change timings (not stick to timetables sent) it was decided not to do so. However, we would reconsider this.</p> <p>Return to normal school hours – this will happen from September (unless guidance changes again). Same time for all children / classes but different entrances. MN currently preparing a letter to go out next week.</p> <p>Class Trips to local places to walk and appreciate surroundings – will try to do more educational visits in future (minibus).</p> <p>More charitable events (i.e. Shoebox appeal) – aiming for one per half term, School Council to decide.</p> <p>Uniform exchange / swap shop – we aim to do these once per term (hindered by lockdowns but one is taking place next week).</p> <p>A veggie week every so often or improve veggie options – MN has spoken to Caterlink.</p>	<p>MN currently preparing a letter to go out next week.</p>
<p>1) What do parents think about the Online Safety Newsletter (e-mailed at the beginning of each month)?</p> <p>Parents liked this but felt that parents who needed to read it may not read it.</p>	<p>MN to directly talk to parents and print copies where any e-safety concerns are raised.</p>
<p>2) What are parents views of the Relationships Education Policy?</p> <p>Parents commented that this is a good, detailed policy that covers all expectations. One parent (who works at another school) noted it was 'very good and what he would expect to see.'</p>	
<p>3) AOB</p> <p>It was mentioned that Year 5 are in poor 'non uniform' for outdoor learning, and this is not fair when other classes are being told it is only PE kit and wellies that is allowed.</p>	<p>MN spoke to Mrs Jago again, she will put a message on Class Dojo. MN to monitor in 21-22.</p>
<p>Date of next meeting: Will be half termly and decided in the next academic year.</p>
