

Year 4 Home Learning Tasks

Email will be the only form of two-way communication at the moment (8.45-3.10 Mon-Fri)
jjago@nanpean.cornwall.sch.uk

Follow the link on the school Facebook and website page to access your free parent Twinkl account. This will give you access to thousands of resources.

Below is a **suggested** daily timetable. If you already have a system that works for you and your family, continue what you are doing.

9am	9.30am	10am	BRAIN BREAK	11am	11.30am	LUNCH BREAK	1pm	FRESH AIR OR FREE CHOICE	More? Class Dojo Profile Uploads
Cosmic Yoga. Ready to learn: Joe Wicks or	Reading Comprehension: see below	English: see below		Maths: see below	Reading: see below		History: see below		

READING

- Please find the time to read for at least 30 minutes per day. Don't forget to quiz!
<https://ukhosted47.renlearn.co.uk/2234793/default.aspx?fbclid=IwAR3SQLFnOLwmdcawK5MR9TGoCZ1qvocCeii3ImZouqksDHliFF99hy-sP6w>

If you need to read other books at home, find the quiz numbers on the following site:

<https://www.arbookfind.co.uk/default.aspx>

- Year 4 Reading Resources**

You could look for a text that feels right for your child on Twinkl by searching for reading comprehension resources for Year 4 and for **LKS2** (Lower Key Stage 2). Several resources are split up into what looks like 3 sets of the same thing. However, if you look around the edge of some of the sheets, you might see either 1 star (an easier version of the text and questions), 2 stars (slightly harder) or even 3 stars (the hardest version). The stars don't appear on all the resources, sometimes there is only 1 version of the text together with 1 set of reading comprehension questions.

Alternatively, you could read the texts and comprehension questions from the online area using the website links below. In both cases, you can save printing by reading online and then writing the answers in your Home Learning exercise book. Here are the two extra options, one for each week:

Week 1 Reading Comprehension: <https://UIDABAT.exampopro.net>

Week 2 Reading Comprehension: <https://QONIEIU.exampopro.net>

testbase

Does your child attend RWI lessons at school?

Reading Resource Options: If your child attends RWI sessions at school, then these resources might be the better option to access from home. Consider looking for KS1 (Key Stage 1) resources on the Twinkl website. Here are two links that will save you searching:

- Fictional Bumper Activity Pack

<https://www.twinkl.co.uk/resource/ks1-fictional-differentiated-reading-comprehension-bumper-activity-pack-t-l-527684>

- KS1 Mixed Reading Comprehension Bumper Resource Pack

<https://www.twinkl.co.uk/resource/reading-comprehension-tes-t-l-51742>

These large bumper packs contain a selection of over 20 choices for you to work your way through. They are designed for you to cherry pick from and **there is no expectation to complete one per day**, simply **spending roughly 30 minutes on reading comprehension activities will be more than sufficient** and we hope it is helpful for you to know this.

ENGLISH

1. Each fortnight you will get chance to write a text that we have already studied this year in Melbur. For the next two weeks you will be writing stories. You could innovate (change small parts like character names or the setting) a well-known fairy tale or even a story from a book you have at home. Use your imagination and try creating a story even better than the Quasimodo story we were looking at in class!
2. Logon to the following website. Each day the picture will be completely different! Scroll down and up level the 'Sick Sentences' for the given picture: <http://www.pobble365.com/>
3. Practise your spellings as often as possible using your login for the following site:

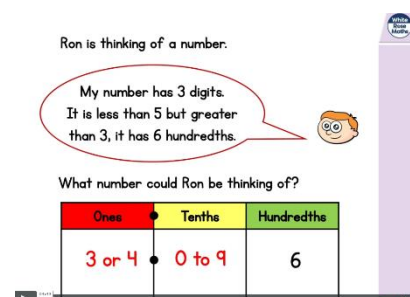

See below for a **suggested timetable** for how to timetable these English activities over the next two weeks:

SUGGESTION	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
WEEK 1	EASTER	Story Writing	Story Writing	Sick Sentences	Spelling Shed
WEEK 2	Story Writing	Story Writing	Sick Sentences	Sick Sentences	Spelling Shed

MATHS

For the next two weeks, alternate each day between doing a White Rose decimal lesson and practising your basic skills on Maths Shed or Prodigy. Access the following website: <https://whiterosemaths.com/homelearning/> There are five lessons under Year 4 about 'tenths'. The beginning lessons will be a recap and the later ones move into new learning!

1. Watch the introduction to the lesson.
2. Download the activity beside the lesson. Complete the answers in your Home Learning exercise book.
3. Practise more arithmetic questions using <https://mathsbot.com/starters/numberOfTheDay>. Select a new number each day and record answers in your Home Learning book. Choose a number between 1 and 20 and a multiple of 1 in the top left hand corner. In the top right hand corner, perhaps selecting 8 questions and the easy level of difficulty to start with is the best plan.
4. Practise your basic skills using your login for the following website:

See below for a **suggested timetable** for how to timetable these Maths activities over the next two weeks:

SUGGESTION	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
WEEK 1	EASTER	Decimal lesson 1	Arithmetic	Decimal lesson 2	Maths Shed
WEEK 2	Decimal lesson 3	Arithmetic	Decimal lesson 4	Maths Shed	Decimal lesson 5

TOPIC

Our topic for this term will be based around crime and punishment. For the next two weeks, we would like you to focus on research that relates to crime and punishment in Anglo Saxon Britain. Research the following questions:

1. Explain what an Anglo Saxon ordeal was. Give an example.
2. Create a list that examples at least 3 possible crimes that might be committed in Anglo Saxon times.
3. What was Weregeld law?

Here are two helpful YouTube links to watch:

Horrible Histories: <https://youtu.be/iW934Eb9niU>

(Smashing Saxons Court of Historical Law Ethelred the Unready guilty via ordeal)

Horrible Histories: <https://youtu.be/Hu7IBDXpOLc>

(Smashing Saxons family feud via the new Weregeld law Anglo Saxon Ghost Hunt)

Please remember that as with all internet use, adult supervision is highly recommended. We politely request that you closely supervise internet websites that are accessed by the children surrounding this topic. Thank you.
