## NEWSLETTER

**07/06/2019**

We hope you feel that you are always treated fairly, and feel able to come into school to discuss issues. We are always open to reviewing our equity policies.

### **Head teacher Weekly Update:**

I hope you all had a lovely, relaxing half term week and welcome you back to school. We have many exciting things planned this half term, including team building activities for each class with a specialist Teacher. These will take place in transition week when the children meet their new Teachers and support staff - please see the information elsewhere on this newsletter for our staffing structure for 2019-20.

On this, you will notice that Mrs Cookson and Miss Grubb aren't on the list. This is because they will be leaving Nanpean School at the end of this term. This will be a sad loss for the school as they are both excellent and highly valued members of staff. However, they are staying in education and training to be Teachers over the next year. I hope you will all join me in thanking them for their time at Nanpean School and wishing them well for the future - the teaching profession is lucky to be gaining these two highly skilled practitioners.

Thank you all for your cooperation, sensible driving and efforts to ensure children were in school on Tuesday as the road on the approach to school was flooded. As you will be aware, we have ongoing drainage issues as well. We are in constant communication with Cornwall Council to try to rectify this issue, but I was pleased to be able to video the floods and chaos this caused as this will be sent to the Council as proof and in the hope they can amend the issues.

Following this I visited every class on Tuesday morning to ensure all children were back in school safely and had enjoyed the half term week. It was also interesting on Wednesday morning to visit every class as part of our English Monitoring. It was a pleasure to see children working hard to ensure progress across the school. I immensely enjoyed being in the classrooms with the children and seeing Teaching and Learning taking place. This followed the most recent Parents Forum meeting. Thank you to the parents who attended this, and in particular my thanks go to these parents for their suggestions in relation to School Improvement. I am currently in the process of writing the School Improvement Plan for 2019-20 and am extremely grateful for their suggestions. Further information about the updated School Improvement Plan will be displayed in school and included on the Newsletter in September. It was also a pleasure to hear about the children's excellent performance in the Cricket Tournament on Thursday (2nd place in the Tournament after St Mewan). A report will be included in the newsletter next week. I hope you all have a good weekend and hopefully the weather will improve again! Best wishes,

**Mr M. Nicholls,**

## Year 6 Bingo Fundraiser

On **Monday 17th June 2019** Rosemellyn class are holding a bingo to raise funds to go towards their Leaver's Prom. The Bingo will be held here in our hall with doors opening from 6:30pm and eyes down at 7pm. £5 for your book of games. Some parents that have helped with previous school events have agreed to lend their support with organising and running the event. Any donations for prizes from parents would be greatly appreciated. We'll look forward to seeing lots of you there.

## Health and Safety at School

Please can we ensure that children do not play on the play equipment/trim trail before or after school as no staff are present and so this invalidates our insurances. Nobody should be walking on the wall around the perimeter of the playground. Some children have been seen doing this. It is a thin wall and so someone could easily fall and cause themselves serious injury.

## Cook in Charge Vacancy

We are currently advertising for a cook in charge to join our team. The role will be for 25 hours per week 8:00am –1:15pm during term time, plus 3 days during the school holidays.

The role will require you to prepare, cook and serve meals to pupils and staff as well as other kitchen management duties, such as supervision of two other members of staff, ordering of food, stocktaking and administration, setting out and putting away dining furniture, washing up and cleaning the kitchen and dining areas. For full details please visit the vacancies section on the School's website.

## Nanpean Village Bingo in aid of a new defibrillator.

There will be a bingo on **Friday 14th June 2019** which is being held to raise vital funds to get a new defibrillator installed in the village and to contribute to the running and maintenance costs. The bingo will be held at Nanpean AFC & Social Club. Doors will be open at 6:30 with eyes down at 7:30. Everyone welcome to support this worthy cause.
