LUCY GOES BACK TO SCHOOL

Colouring book!

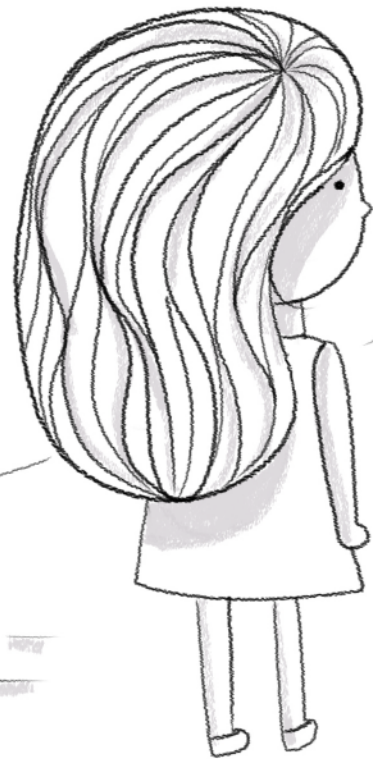

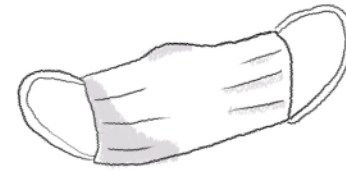

Illustrated by F.B.

It's time for Lucy to go back to school.

The summer has been strange, but she followed all the rules.

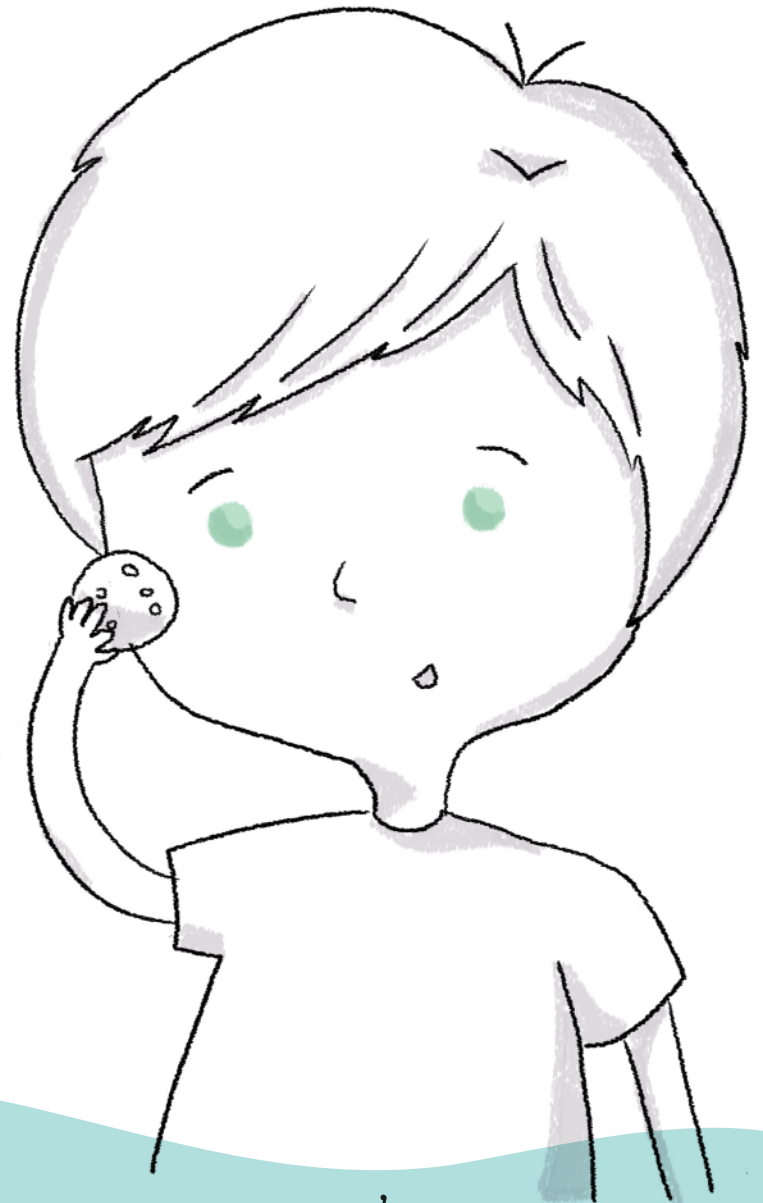

She stayed at home and washed her hands, she didn't like it at first, but now she understands.

Her hair turns white as she gets near;
the gate draws close, but she shouldn't fear.
Her friends, Alyssa and Summer, are standing at the gate,
Even Max, though he's normally late.

Max's hair is purple today, he's excited to go back
he can't hide this feeling while munching on his snack.
He spots Lucy right away, and see's her white hair sway.
He looks into Lucy's eyes, and knows exactly what to say.

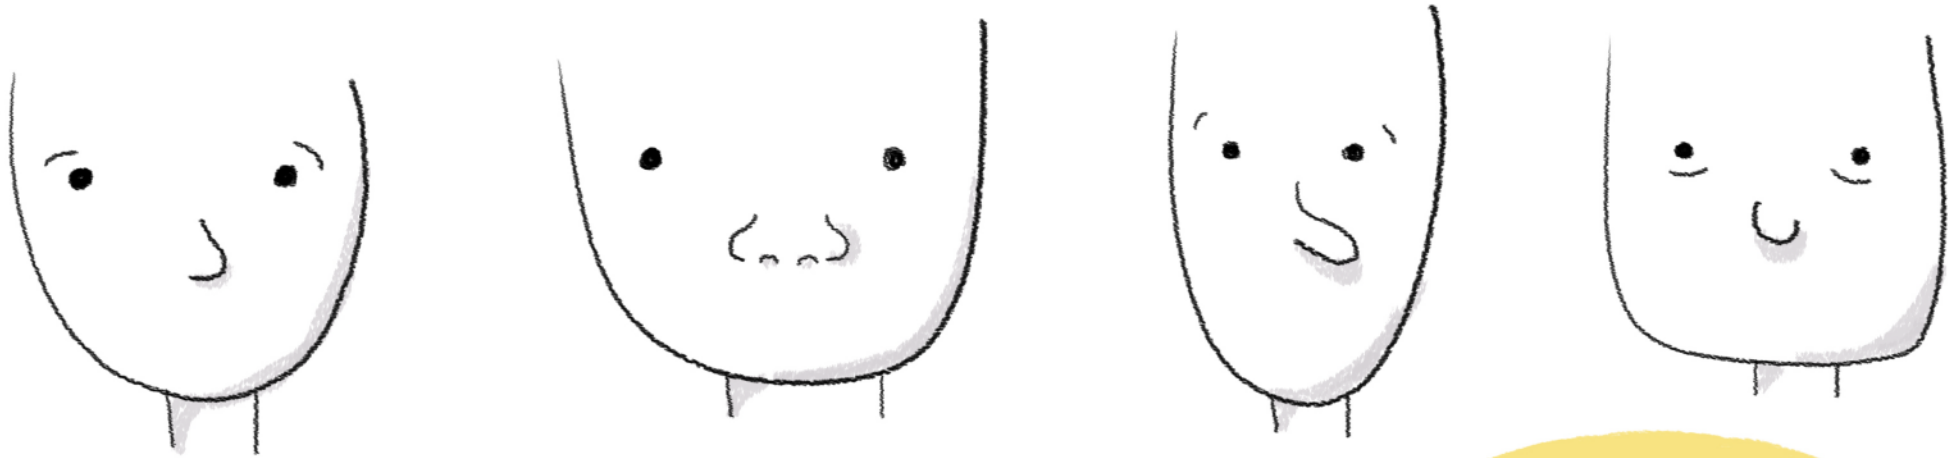

**"LUCY, IT'S FINE TO BE SCARED
THIS IS ALL BRAND NEW!"**

**NONE OF US KNOW HOW IT'S GOING TO BE:
NOT ALYSSA, NOT SUMMER, NOT YOU.**

LOOK AROUND AT EVERYONE'S FACE
WE'LL ALL LEARN TOGETHER, AT OUR OWN TIME AND PACE

How do you think they feel?
Colour and draw your own
feelings/expressions

And Lucy, remember that we're all here;
no matter what your hair shows: happiness, sadness or fear.
And you know by now what I always say:

IT'S OK, SOMETIMES,
TO HAVE A BLUE DAY."
