Literacy Open Morning Feedback – 17/3/14

20 parents attended our Literacy Open morning with a focus on Reading.

100% of parents (who have children in Eden and Hendra) felt that their confidence in supporting their child reading at home was improved because of the literacy open morning.

Parents who had children in Melbur or Drinnick generally already felt confident in supporting their child reading and so there was very little room for increased confidence.

75% of parents (who have children in Eden and Hendra) felt that the open morning was useful in helping them to understand how we teach the children to sound out words during Read, Write Inc.

100% of parents felt that the open morning helped them to understand how children are taught literacy using age appropriate activities.

Suggestions for further support in supporting the children with literacy include:

- ❖ Continuing the use of flash cards into Hendra class as well as Eden.
- ❖ More activities to do at home to encourage reading, writing and spelling.
- ❖ A further focus on helping parents to understand the process used to teach the children to read.
- ❖ More literacy open mornings.

The parents requested further open mornings in the follow subjects:

- ❖ Further reading/ writing mornings
- ❖ Any area that has changed significantly recently
- ❖ Maths
- ❖ P.E
- ❖ Art/ D.T.
- ❖ Science
- ❖ Music
