

# Year 2 Home Learning Tasks

Email will be the only form of two-way communication during this time. If you have any urgent queries, please contact your child's teacher during school hours (8.45-3.10 Mon-Fri) and they will respond to you as soon as they can. If your class teacher is unavailable, they will have an automated response to your email and you will then be able to contact Mr Nicholls or Miss Morton instead:

[head@nanpean.cornwall.sch.uk](mailto:head@nanpean.cornwall.sch.uk) and [cmorton@nanpean.cornwall.sch.uk](mailto:cmorton@nanpean.cornwall.sch.uk)

Monday, Tuesday or Wednesday –[abevis@nanpean.cornwall.sch.uk](mailto:abevis@nanpean.cornwall.sch.uk)  
(until 22.4.2020)

Wednesday, Thursday or Friday –[jcooper@nanpean.cornwall.sch.uk](mailto:jcooper@nanpean.cornwall.sch.uk)

Follow the link on the school Facebook and website page to access your free parent Twinkl account. This will give you access to thousands of resources.

## READING

You will have taken two reading books home with you. Please find the time to read for at least 20 minutes per day. Once finished, you may move onto any other reading material that you have at home.

Work through any Year 2 reading comprehension tasks from Twinkl.

## WRITING

Practise writing A,A sentences (adjective, adjective sentences to describe a noun) write a short story about a pirate who is hunting for a mysterious, jewel encrusted treasure chest. Write diary entries for each day you're not in school. Think about the nouns and verbs you use and put as much description in as you can.

Practise joining your handwriting, using the joins you've learnt in school.

Practise your spellings as often as possible.

## MATHS

Practise one of each of the following arithmetic questions daily if possible. Generate your own questions by randomly selecting your own numbers.

$$5 \times 9 = \quad 35 \text{ divided by } 7 = \quad 67 + 24 = \quad 46 - 15 = \quad 10 \times 8 =$$

$$96 + 8 = \quad 87 - 56 = \quad 60 \text{ divided by } 5 = \quad 8 \times 4 = \quad 112 - 71 =$$

Practise your basic skills using your logins for the following websites:

<https://www.twinkl.com/resources/parents/age-specific-resources-parents/maths-school-years-parents>

You all have a Purple Mash log in too, which has lots of online learning activities that you're all familiar with.

You will be given your log in details so you can all log in and work through as many activities as you can! [www.purplemash.com/nanpean](http://www.purplemash.com/nanpean)

## GEOGRAPHY

Next term our topic is Rainforest Rangers!

We will be exploring the rainforests of the world, their location, inhabitants and the importance of protecting them. Make an information poster or booklet all about the biggest rainforest on our planet.

Answer these questions:

- Where is the biggest rainforest on Earth?
- Which river runs through it and how long is it?
- How many countries is it located in?
- Make a mini fact file about one of the animals which lives there.

## ART AND DESIGN

Design and make a boat that can float using recycled materials, then make a passenger to go in your boat and see if it still floats. Send us the photos via ClassDojo!

Go for a walk in the fresh air and take photos of the different leaf buds beginning to grow...

Do some bark rubbings on trees near your home, make a daisy chain, go to the beach and collect some pebbles then paint them when you get home. Can you make them look like rainforest creatures?

Bake a cake with your grown up, can you write out the recipe and share it on Class Dojo? Take a photo of your finished cake! We will share any that really make our mouths water!
