Nurturing Children's Passion to Succeed

NEWSLETTER

09/02/2018

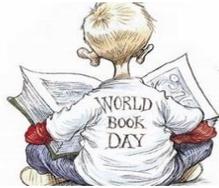

We hope you feel that you are always treated fairly, and feel able to come into school to discuss issues. We are always open to reviewing our equity policies.

⇒ Year 1 Class Teacher Interviews

Interviews took place this week to appoint a permanent Year 1 Class teacher following Miss Bevis' decision to return to us part time from her maternity leave. Following a quite intense day of tasks and interviews, we are delighted to welcome Miss Brotherhood to our team! This does sadly mean that we will be saying goodbye to Miss Pilkington-Wood at the end of the Spring Term.

⇒ World Book Day ~ 01/03/18

Our theme for World Book Day this year is 'Horrible Histories' in celebration of non-fiction books. We would like the children to come to school dressed as a character from history e.g. Evacuee, Roman soldier, Victorian, etc. There will be no charge for non-school uniform for World Book Day. Each teacher has chosen one of the Horrible Histories books, which will provide the theme for their morning activities:

Eden Class—Awful Egyptians
Hendra Class—Ruthless Romans
Prosper Class—Terrible Tudors
Karslake Class—Shocking Sixties
Melbur Class—Blitzed Britz
Drinnick Class—Vile Victorians
Rosemellyn Class—Deadly Days in History
For the morning, the children will be split into groups and visit one of the classes to take part in activities relating to that book. For the afternoon, children will be back in their own classes for a whole school art project. We would like each child to bring a potato to school on this day to transform into a book character! They are welcome to bring in any props from home that they may need. We will award prizes for the best potato book character from each class.

⇒ Safer Internet Day

On Tuesday, Nanpean School took part in Safer Internet Day; a national campaign aiming to educate pupils and their families in keeping safe online. As part of this day, each class took part in age appropriate activities which included learning how to stay safe with Digiduck, Smartie Penguin and Mummy Penguin, learning all about our digital footprint and considering all the technology we use. Discussions took place about the importance of not giving out personal information online, through social media and how commenting and responding to things online may impact upon others.

STARS OF THE WEEK

Each week, Nanpean School staff choose one pupil from their class who has shone to be their class star. This could be due to their consistently good behaviour, putting a lot of effort into their work, or their super learning. **'Star of the Week' slips will go home in the book bags of the children chosen as our Stars every Thursday.**

This week our stars have been:

Eden— Otilie Boucher for her fantastic problem solving during our milkshake making activity.

Hendra—Zevah Burton for her excellent contribution to discussions during whole class learning.

Prosper— Olivia Ludkin for always being ready to learn and working her hardest.

Karslake— Cathrine Oliver for being such a good friend to her peers.

Melbur—Jemima Northcott for settling in remarkably well to her new class and new school.

Drinnick—Callum Palmer for his fantastic descriptive sentences.

Rosemellyn—Polly-Louise Hatton for continuing to grow in confidence with her Maths and sharing more ideas in class discussions.

LUNCHTIME AWARD

Each week we present a child with a Lunchtime Award. This is to recognise and reward a child who has been notably kind, helpful or well behaved during lunchtimes for the week.

This week our Lunchtime Award goes to:

Lewis Screech for being a super smiley helper.

BUSY BEES

Busy Bees are awards given out to children to acknowledge that an aspect of their learning or behaviour is exceptional. This weeks award is:

Tom Rosevear—for his excellent writing about volcanoes in topic.

Mrs Varney, Miss Rosevear and Mrs Wade will be leading the day and have planned a host of fun activities.

⇒ **School Closure Reminder**

Some of you may have noticed the adverse weather this week which this caused some very dangerous travel conditions. We had numerous phone calls checking to see if the school was open and we want to remind all parents to refrain from doing this. The decision to close the school at any time will be made by the Headteacher. We will inform the local authority and Pirate FM, who will broadcast the closure on the radio and on their website. We will also send a text out to all parents informing them that the school will be closed and we will put a notification banner on the main page of our website. Staff have access to all these formats from home if they are not able to get to site themselves. Please check these sources if you are concerned that the school may be closed, if there are no indications on any of these sites, then you can safely presume that the school is open. Please do not call the school to check if it is open, we need to keep the phone lines and staff free to manage the situation. We understand that in treacherous conditions, the majority of children may not be able to get into school safely, and we appreciate that the normal procedure is to call the school to let us know that your child won't be attending school. However, in exceptional circumstances, such as extreme weather, this is not required on the day. We will follow up with a slip confirming that your child was absent due to the snow in the days following this. However, we would also like to remind parents that we expect children to be brought into school when conditions have cleared up, as they did on Tuesday when road conditions returned to near normal before lunch. Slips were sent home yesterday so please return these by Monday 19th February to confirm the reason for your child's absence.

⇒ **Headteacher Recruitment**

Governors met with the Local Authority this week to plan the headteacher interview process taking place next half term. The advert for a new headteacher will be live from today and will remain open until Monday 5th March. The interviews will take place on Wednesday 21st March and Thursday 22nd March. To ensure that parents/ carers are involved in this process, we will be holding a meet and greet with shortlisted candidates on Wednesday 21st March from 2.30pm. We hope that as many of you as possible are able to join us for this session as we value your input in ensuring we get the best candidate for the role. Further information about the interview days will follow once candidates have been shortlisted and plans are finalised.

⇒ **Eco Warriors visit Bodmin**

Yesterday, our Eco Warriors, lead by Miss Bevis, were invited to visit the Bodmin Recycling Centre for the afternoon. The children had the opportunity to tour the centre and learn about how old recycled items are transformed into something new with a different purpose. The children also learnt more about how important recycling is to our environment.

⇒ **Melbur Changes**

From Monday 19th February until the end of the term on Thursday 29th March, Mrs Cooper will be teaching Melbur class full time. This is to enable Miss Morrison to dedicate more time to her SENDCo role and her RRS role. Mrs Miskowicz will continue to cover Melbur class on Wednesday afternoons.
