STARS OF THE WEEK

Each week, Nanpean School staff choose one pupil from their class who has shone to be their class star. This could be due to their consistently good behaviour, putting a lot of effort into their work or their super learning.

This week our stars have been:

Eden— Ava Julian for writing a super description of a dinosaur.

Hendra— Oliver Ryan for excellent retention and sharing of information about Grace Darling's rescue story.

Prosper— Sam Edmonds for consistent effort, hard work and being a great role model.

Karslake— Ellie Davies for her exceptional kindness to all children and fantastic effort in class.

Melbur— Daniel Barlow for setting a fantastic example in class and brilliant work effort in geography.

Drinnick— Jack McGall for his valuable contributions during maths lessons.

Rosemellyn— Alicia Sanders-Brown for completing maths challenges with amazing resilience.

LUNCHTIME AWARD

Each week we present a child with a Lunchtime Award. This is to recognise and reward a child who has been notably kind, helpful or well behaved during lunchtimes for the week.

This week our Lunchtime Award goes to:

Lauren Bates for being extremely helpful with all dinner hall duties.

BUSY BEES

Busy Bees are awards given out to children to acknowledge that an aspect of their learning or behaviour is exceptional.

This week, Busy Bees were achieved by;

Mia Henderson for her wonderfully joined handwriting.

Stacey Ridgeon for her excellent sounding out when reading difficult words.

Tegen Mellow for her super doubling and lovely number formation.

Caleb Bottery, Lucy Edmonds, Harley Oliver and Tom Rosevear for their fantastic teamwork in Spanish.

Casey Ralph-Buckley for amazing Times Table Challenge improvement.

Bikeability

This week our year 6 children completed their Level 2 Bikeability. Bikeability is a great initiative which teaches children how to keep themselves safe if they are riding their bikes on the road or near traffic. Despite some changeable weather conditions, the children had a great time learning cycling safety.

"Bikeability, the thrilling experience of riding on the roads. In level two, we learnt to ride on the roads, including entering, exiting and crossing junctions. Rosemellyn are counting down the days for the experience of level three at Secondary School!"

Joseph and Oscar, Year 6.

Census Day— Thursday 19th January

As Thursday 19th January is the next census day, Chartwells have arranged a special Build a Burger menu that the children can choose from. Burgers are always a particularly popular option and now that they are cooked on site, if your child is on unsure whether they would like to have a school dinner or not, this could be the ideal time to try them! School dinners cost £2.30 or are free for children in reception, year 1 and 2 and for children in receipt of Pupil Premium. If you believe that your child may be eligible for additional funding under the Pupil Premium/ Free School Meals scheme, please ensure that you apply for it via Cornwall Councils website before Wednesday 18th January so that your child gets all the educational funding that they are entitled to. If you have any questions about Free School Meals, please speak with Miss Dash in the Office who can answer your question or refer you to the Free School Meals Team. We also have not received everyone's reply to the letter sent home requesting information on your child's country of birth and nationality. Although you can refuse this request, we still need the slip back to acknowledge that you received the request. There is an option on the slip indicating refusal. Please do ensure that you complete this slip and return it by **Monday 16th January**.

Clubs

Clubs began this week (except football club which will begin next week). We still have some additional spaces on the Tuesday Multiskills Go Active Club and so we are opening it up to years 3 or 4 too. If you would like to join, please let the Office know.

Good Luck to our Youth Speaks Teams

On Thursday 19th January, our Youth Speaks Teams will be taking part in their second Youth Speaks competition. They have all been practising incredibly hard and taking every opportunity to work on their public speaking. Good luck to Ashleigh Bates, Lola Champion, Caitlin Austin, Jess Whitford, Mahala Osborne and Cody Lee. Although the competition will be tough, we hope that all their hard work will pay off.

Go Active Holiday Club—Monday 13th February

Letters were sent home today giving children the opportunity to sign up to the Go Active Half Term Holiday Club, which will be taking place on Monday 13th February. At £5 for the day it is a great, affordable chance for children to see their friends during the holiday or a fun place for your child to go if you have to work. The club is also open to children who do not attend Nanpean School at £10 for the day.

Headlice

We have had reports of headlice in school recently. To minimise the spread of head lice across the school, please can all parents be vigilant and take the time to check, and if necessary, treat your child for headlice. Headlice can be very difficult to get rid of and so prevention is always the best option. Ensure that long hair is tied up at school and check children's heads regularly. More information can be found at www.nittygritty.co.uk.

The Bell Theatre and Cinema

For those who aren't already aware, Brannel School has been using their state of the art cinema equipment to show some of the latest films on a Friday night. There is a great line up of films being shown at their Bell Theatre in January and February. It can get particularly busy and so advance booking is recommended.
