

# Year 6 Home Learning Tasks

Email will be the only form of two-way communication during this time. If you have any urgent queries please contact your child's teacher during school hours (8.45-3.10 Mon-Fri) and they will respond to you as soon as they can. If your class teacher is unavailable, they will have an automated response to your email and you will then be able to contact Mr Nicholls or Miss Morton instead: [head@nanpean.cornwall.sch.uk](mailto:head@nanpean.cornwall.sch.uk) and [cmorton@nanpean.cornwall.sch.uk](mailto:cmorton@nanpean.cornwall.sch.uk)

Monday, Tuesday or Wednesday – [cmorton@nanpean.cornwall.sch.uk](mailto:cmorton@nanpean.cornwall.sch.uk)

Thursday or Friday – [smorrison@nanpean.cornwall.sch.uk](mailto:smorrison@nanpean.cornwall.sch.uk)

## READING

You have taken two reading books home with you. Please find the time to read for at least 30 minutes per day. Once finished, you may move onto any other reading material that you have at home.

Work through any Year 6 reading comprehension tasks from Twinkl. One has been sent home with you to start you off.

Follow the link on the school Facebook and website page to access your free parent Twinkl account. This will give you access to thousands of resources.

## WRITING

Practise one each of the Year 6 Exciting Sentences. Use your keyrings to remind you what they are.

Complete the Grammar, Punctuation and Spelling Tests on the following links. Write the answers in your books:

<https://iekurat.exampro.net/> and <https://VIDEKYM.exampro.net>

Practise your spellings as often as possible using your login for the following site:

**testbase**

## MATHS

Practise one of each of the following arithmetic questions daily if possible. Generate your own questions by randomly selecting your own numbers. An example of methods has been stuck in your books.

$$32.67 + 5.439 = \quad 23,876 - 2,462 = \quad 543 \times 23 = \quad 348.2 \times 4 =$$

$$4578 \div 4 = \quad 4829 \div 23 = \quad 3/12 + 2/4 = \quad 7/8 - 2/3 =$$

Practise your basic skills using your logins for the following websites:

## HISTORY

Our new topic for the summer term will be based around World War II. Find the answers to the following questions and design a poster to demonstrate what you have learnt and to help you remember these key facts.

1. When did the war start and end?
2. Why did the war start?
3. Which countries fought on which side?
