Helping your child read

Your role in supporting your child with all aspects of their reading is vital to their progress and future development.

> "There is a difference in reading performance equivalent to just over a year's schooling between young people who never read for enjoyment and those who read for up to 30 minutes per day." (taken from readingagency.org.uk)

top tips

- Praise—essential to build confidence and self-esteem. The more successful they feel, the more they will want to try.

- Little and often—read for a short time as often as possible.

- Stop when they cannot concentrate or read to them instead.

- Ask their opinion of a text at the end.

- Read signs and label e.g. DVD covers, cereal boxes, etc.

- Visit the local library or book shop.

How to use the reading record

1. There is a new page for each week.

2. It is expected that your child engages with a reading activity 5 times a week.

3. There are a possible six numbered activities to choose from. Write down the number of the activity you have done with the date and further details. <u>One of the activities (each week) MUST be their school reading book.</u>

4. Sign in the speech bubble to confirm the reading activities.

5. OPTIONAL: Use the speech bubble to communicate any information that you wish to share about your child's reading that week.

6. IF APPLICABLE: The AR bonus boxes will be filled in by the school if your child passes an AR quiz. **Your child can only quiz every other day. Daily quizzing is not allowed.**

7. The school will fill in the running total box to show how many reading points your child has earned. This will be a cumulative total.

8. The school box will be filled in if an adult has read with your child or if they wish to communicate with you about your child's reading. <u>Please note, this will only be filled in when necessary and not weekly.</u>

9. Reading Records will be checked and points totalled on a MONDAY.
