⇒ School Emergency Closure Procedure

As we head towards Christmas, the weather has definitely taken an icy turn and we want to make all parents/ carers aware of the procedure for emergency school closure. If there is any concern regarding the weather affecting the health and safety of pupils while they are at school due to poor weather conditions, including the effects of snow, flooding, or no water or heating, a risk assessment will be undertaken. Where the risk to child's health and safety is deemed to be unacceptable, the school will be closed. This could happen before or during the school day. We aim to **inform families of our closure as soon as possible**. Once the governing board authorise the decision to close we would then notify the council and 3 local radio stations (BBC Radio Cornwall, Heart FM and Pirate FM) who will then broadcast the details of the school closure. We will also notify all parents via the eschools app, text message and we will put up an important notice banner on our school website. It is vital that all families are aware of this plan to minimise any potential risk in either bringing children to school and then having to take them home again in poor weather conditions or to ensure timely collection. We would encourage you to listen to the radio, check the school website or the app for messages rather than contact the school directly as lines are likely to be busy and need to be kept clear in the event of an emergency.

⇒ KS1 Christmas Production Reminders

Letters and tickets for the KS1 Christmas production went home this week. This years performance is called 'Born in a Barn' and the children have been practising so hard to give families a spectacular performance. This year there will be 3 performances: Tuesday 6th December at 2pm (for the whole school, children from Nanpean Nippers, and parents/ family members with young children), Wednesday 7th December at 5.30pm, and Thursday 8th December at 2pm. A limited number of additional tickets are available upon request. If you do not need as many tickets as have been provided, please do return them to school as we can then redistribute them to ensure that as many people can attend as fire regulations allow!

⇒ Reception Admission for September 2017

A quick reminder that parents of children born between 1st September 2012 and 31st August 2013 must apply for a primary school place for September 2017. The deadline for applications is **midnight on 15th January 2017**, which is not that far away! Applications can be made online at www.cornwall.gov.uk/admissions or you can request a paper copy by calling 0300 1234 100. If applications are not received by the deadline, it is likely that you will not get a place at your child's preferred school as places in the locality are filling up fast!

⇒ New Parent Governor

We received one form for the Parent Governor vacancy so are very pleased to welcome Miss Thornhill to our governing board! Miss Thornhill has a child in Eden class and is keen to support the school in all its developments.

⇒ Lost Property

We have an increasing number of lost jumpers and coats at the moment. So that we can return them to their owners, please can all parents ensure that all items, including hats and scarves, are named. If your child brings home an item of clothing that is not theirs, please return it to the office so that we can get it back to the correct child.

Royal Cornwall Museum Christmas Family Day

YULE-TIDINGS FROM THE ROYAL CORNWALL MUSEUM

Looking for something fun to do this festive season? Then the Royal Cornwall Museum in Truro has plenty to offer! For one day only on **Saturday 10th December** the Museum is hosting a **Christmas Family Day**. There will be Christmas spirit aplenty: **The Riverside Singers** will be performing some classic Christmas carols, and there will be festive craft activities to take part in. Children go **FREE**, and adult tickets cost just £5.50, including a voluntary £1 donation. Opening hours on a Saturday are 10am to 4.45pm. Call 01872 27220 or visit www.royalcornwallmuseum.org.uk for more information.

Chicken Pox

We have had a few cases of chicken pox this week so please look out for any symptoms your child may show that indicate chicken pox: feeling tired and generally unwell, a high temperature (fever) of 38C (100.4F) or over, feeling sick, a headache, aching, painful muscles or loss of appetite and of course the rash. Chicken Pox is highly contagious and can make some people very unwell, so it is important to avoid spreading it to others. If your child displays any concerning symptoms, please keep them at home and speak with your child's doctor. If they do not have chicken pox, they can be brought into school later, if they do then guidance recommends that they stay off school until they are not contagious (this could take a week).
