Introduction

At Nanpean Community Primary School we believe Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. 'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013). We are committed to using this resource in developing high quality PE lessons, greater opportunities for sporting competitions, variety of after school clubs and holiday clubs for all our young people.
