Helping your child read

Your role in supporting your child with all aspects of their reading is vital to their progress and future development.

"There is a difference in reading performance equivalent to just over a year's schooling between young people who never read for enjoyment and those who read for up to 30 minutes per day." (taken from readingagency.org.uk)

top tips

- ♦ Praise—essential to build confidence and self-esteem. The more successful they feel, the more they will want to try.
- ♦ Little and often—read for a short time as often as possible.
- ♦ Stop when they cannot concentrate or read to them instead.
- ♦ Ask their opinion of a text at the end.
- ♦ Read signs and label e.g. DVD covers, cereal boxes, etc.
- ♦ Visit the local library or book shop.

How to use the reading record

1. There is a new page for each week.
2. It is expected that your child engages with a reading activity 5 times a week.
3. There are a possible six numbered activities to choose from. Write down the number of the activity you have done with the date and further details. One of the activities (each week) MUST be their school reading book.
4. Sign in the speech bubble to confirm the reading activities.
5. **OPTIONAL:** Use the speech bubble to communicate any information that you wish to share about your child's reading that week.
6. The school will fill in the running total box to show how many reading points your child has earned. This will be a cumulative total.
7. The school box will be filled in if an adult has read with your child or if they wish to communicate with you about your child's reading. Please note, this will only be filled in when necessary and not weekly.
8. Reading Records will be checked weekly. Once points are totalled in school, please do not go back and fill in any pages that have already been totalled as these points will not be counted.
