

# Eden Class Home Learning Tasks

Email will be the only form of two-way communication at the moment. If you have any urgent queries please contact your child's teacher during school hours (8.45-3.10 Mon-Fri) [ahayes@nanpean.cornwall.sch.uk](mailto:ahayes@nanpean.cornwall.sch.uk) and they will respond to you as soon as they can. If your class teacher is unavailable, they will have an automated response to your email and you will then be able to contact Mr Nicholls or Miss Morton instead: [head@nanpean.cornwall.sch.uk](mailto:head@nanpean.cornwall.sch.uk) and [cmorton@nanpean.cornwall.sch.uk](mailto:cmorton@nanpean.cornwall.sch.uk)

Our topic for this half term is 'Fabulous Fairy Tales.' The next story we will be exploring is 'The Three Billy Goats Gruff.' The following challenges have been designed to be as practical as possible using resources you may already have in your home. Please upload a picture or video to Tapestry as you complete each task.

Continue to learn teen numbers using the Numberblocks episodes.

Begin to count that number of objects from things around your house or garden.

Investigate which things float and which things sink. Record this by writing a list or sorting objects into two groups.

Build a bridge to cross the river. Can you test your bridge to see if it is strong? Try putting different toys on it to see if your bridge is strong enough to hold them.

Use your action words to write a sentence to describe the troll. E.g He is .....

In Maths we are learning to count on. This can be done in a variety of ways.

- Play 'I count, you count.' Begin by counting as you point to yourself. When you point to your child they continue the count.
- Using the boat you have built, encourage your child to make up their own first, then, now stories as different toys climb aboard. E.g. First one toy gets onto the boat, then two more get on. How many toys are on the boat altogether?
- Play a board game at home counting on with a dice or make your own board game.
