### Our New Puppy!

Due to the huge success of the weekly Tilly visits, Mrs Wicks has bought a school pet! We would like to introduce **Rocky**. He is a 9 week old Chihuahua and is teeny tiny. Rocky will be at school during the school day. He is up to date with vaccinations but still has a couple to go before he is able to go outside. A Risk Assessment has been completed. The most exciting news is that Rocky will be Pets as Therapy trained when old enough. He has already had lots of attention and interaction with the children and is very friendly. Children will be put on a rota for 'Puppy Duty' and this will act as a great reward and incentive for the children's hard work.

### London Trip ~ 8/11/16-11/11/16

The London trip has come around fast! With only a few days to go Miss Morton would like to give a few trip reminders to ensure everything runs smoothly:

- Children need to bring their own sleeping bag.
  - Children need to bring a packed lunch, a large drinks bottle and plenty to drink for the first day.
  - Make sure children have a coat and plenty of warm clothing.
  - Bring a book, card game, colouring book for the journey. - e
  - No electronics of any kind!
  - Maximum of £20 spending money.
  - All belongings should be in a small suitcase or holdall; the boat entrance is quite narrow so try not to overpack.
- School will keep parents informed via the eSchools app with a time that they are likely to return to school on Friday.

### Sleep Success

Scope are offering a free workshop for parents of children with additional needs. Sleep success aims to give you advice on helping your child to sleep. It consists of raising awareness of good sleep practice, strategies for parents, discussions with time to share ideas. Topics include the impact of sleep disorders, the bedroom environment, a good bedtime routine, night waking and keeping a sleeping diary. The workshop will take place on **Thursday 17th November at St Dennis Children's Centre**, Carne Hill, St Dennis, PL26 8AY from **9:30am to 1pm**, refreshments will be available. **Booking is essential**, contact Jane Armstrong on **07436830771** or at **jane.armstrong@scope.org.uk**.

### eSchools

We hope that all parents have had a chance to at least have a look at the new school website. We have tried to make it as user friendly as possible but if you are unsure about navigating the site, then please speak to someone in the Office who will offer some help. We have got the majority of the most pertinent information on the homepage: [www.nanpean.cornwall.sch.uk](http://www.nanpean.cornwall.sch.uk). The most up to date newsletter will be located under the welcome on the homepage. If you can't see it, try clicking on the 'read more' icon below the text, which should reveal it! We will replace the newsletter every Friday and older newsletters can be found further down the home page. Hovering over the red drop down bars at the top of the page will show a list of all the pages that you can access through the homepage and should contain the majority of information about our School. If you find pages are not easy to locate, please speak to Miss Dash. Each class has now developed their very own class pages with more information about their class learning. It can be accessed via the desktop eSchools app at home on your child's log in. Children in KS2 know their own login information, but if your child is not sure, please speak to your child's class teacher or Miss Dash. **Today you should have also received a Curriculum Overview for the coming half term. If not, please speak to your children's class teacher.**

### Winter Coats

As winter is fast approaching, the weather can be very unpredictable, so please ensure that your child is sent to school with a warm weatherproof coat everyday as children go outside whatever the weather. Don't be fooled by the sunny mornings!

### Parents Forum

Sadly no-one attended this months Parents Forum; this is likely to be due to Parents Evening this week so you had a chance to express your views to the class teacher and through the parent questionnaire. Mrs Wicks looks forward to seeing parents at the next forum on **Wednesday 7th December at 9am**.

### Parents Evening

It was wonderful to see so many parents/carers at our parents evening. Thank you for giving your views on our school, these will be collated and a summary will be provided to all parents. A representative from Family Learning was present and many of you expressed an interest in their courses —see below.

### Family Learning

Family Learning work with parents/carers in schools to provide FREE learning opportunities which promote language, literacy and numeracy skills through practical activities, so that parents/carers are better able to support their child's learning. Courses from Family Learning include developing literacy and numeracy skills, family wellbeing and digital inclusion.
